

## MEMORANDUM

Date: November 16, 2023  
To: Port of Clarkston Tariff Recipients  
From: Chris Rasmussen  
Re: Tariff Changes effective January 1, 2024

The Port of Clarkston has recently completed a review of our 7<sup>th</sup> and 14<sup>th</sup> Street dock services and associated operating costs. Changes and additions to the Port of Clarkston Tariff No. 003 are described below and will become effective January 1, 2024

**Dockage:** dockage rates will increase by 6.2%

**Wharfage:** all commodities rates will increase by 5.0%

**Other Tariff Rates:** All other tariff rates not called out below will increase by 5.0%

**Rate Increases:**

- Item 9.4.2 Minimum dockage of \$106 per 12-hour period
- Item 9.4.4 Vessels at berth, making alterations or repairs, shall pay dockage of \$1.65 per foot in length overall (LOA) per day.

**Tariff Items No Increase:**

- Item 13.3 Electrical Power
- Item 13.4 Fresh Water
- Item 13.5 Passenger Traffic Bundled Fee
- Item 13.6 Fuel Flowage Fee
- Item 13.7 Environmental Stormwater and Facility Charge
- Item 13.8 Seasonal Recreation Boats
